

7th June 2019

Dear Parent or Carer

Expression of interest - DGSB visit to Coral Glades High School, Miami - May 2020

You may be aware that over the Easter holiday I visited Coral Glades High School near Miami, Florida, with the intention of setting up a link between our two schools. I am now in the process of organising an initial visit to the school for DGSB students and staff which is planned to take place at the end of May 2020. In order to ensure I plan the visit effectively, I would be very grateful, if you are interested in your son or daughter taking part, if you could complete the expression of interest form which can be found here:

<http://bit.ly/2WR4VJ0>

Completing the expression of interest form does not in any way commit you or your son/daughter to being involved in this visit. However, it will give me an idea of what costings are likely to be appropriate and how many students are likely to want to take part, as well as giving me an indication of the types of activities that students would consider most valuable. For parents / carers whose financial situation may not allow them to consider requesting that their son/daughter take part in this visit, there is a question which can be completed that will help me ensure that consideration is given to such students to allow them to access this educational opportunity.

We will be staying in 3-star hotel accommodation and will be spending two days in lessons in Coral Glades High School. At present, and in addition to spending time at CGHS, visits are planned to:

- Miami (city and surrounding beaches)
- Coral Glades (shopping)
- NASA Cape Canaveral Space Centre
- Everglades National Park

The expression of interest form will be open until the **end of Friday 21st June**, and I would be very grateful if you could complete it by this date.

Yours faithfully

Phil Horstrup
