

19th June 2019

Proposed visit to Florida, May 2020 - Information Evening Monday 1st July

Dear Parent or Carer,

Many thanks to all those of you who have expressed an interest in the school's proposed visit to Florida in May 2020. In order to provide you with further details about this proposed visit and to allow you to decide whether this is something in which you would like your son to be involved, I will be hosting an information evening on Monday 1st July at 6pm. This event will last approximately 1 hour and there will be time for questions if you have any.

Given the time when the proposed visit is due to take place, and to ensure, therefore, that there is no impact on GCSE and A level examination preparation or performance, the 2020 visit will be open only to students currently in Years **8,9 and 11**. However, it is my intention to run this visit annually, so students in current Year 7 and Year 10 *will* be able to participate in 2021 if they so wish.

In order to allow me to know how many people will be attending the information evening, I would be grateful if you could complete the short reply slip which can be accessed by copying and pasting the link below into your browser:

<http://bit.ly/2RpfNsl>

Once again, many thanks for your interest in this proposed visit and I look forward to seeing you on July 1st. If you are unable to attend for any reason but would still like information to be sent out to you, please let the school office know and provide an email address, and my colleagues will compile a list of parents/carers to whom the presentation can be sent electronically at the end of the evening.

Yours faithfully

Phil Horstrup
